# Why Assure For Life?

Since 2005, we came to the United States as Protección Plenitud LLC, and then our plan to assist families in making funeral arrangements brand, Assure For Life, was born. We are part of **Plenitud**, a company with **over 70 years of experience** providing innovative forms of support to families **contributing to their well-being and quality of life.**

More than **2,500** organizations make up our portfolio of clients throughout **the United States, Latin America, and the Caribbean.**

# What is **Assure For Life**?

Assure For Life offers a plan to assist families in making funeral arrangements in the United States. Unlike insurances or prepaid funeral contracts, this membership does not provide monetary sums. Instead, upon becoming a member, we offer comprehensive support in the planning and organization of funerals for deceased loved ones, by contracting funeral service providers.

**By being part of this valuable membership, you will receive assistance in organizing funeral arrangements, along with these essential benefits:**

- Accompaniment, assistance, peace of mind, and consolation to their families in the most challenging moments.
- Assistance and coordination through an emergency line that works 24/7.

### **Assistance in arranging:**

- Traditional funeral services.
- Transport of the deceased within the United States, Washington D.C., and Puerto Rico, and expatriation to the country of origin in the coverage area.
